Thank you, Mike. If I do not hear from them- are you the best person to contact or is there someone there you might suggest?

Hey guys,

I need this T3 info ASAP. I have a customer who would like to know where these medications are coming from before they decide if they will purchase them and Boulevard has not provided any T3 info. Showing where these are being purchased from.

Who can I reach out to for this information???

Subject: Boulevard 9229 T3s

Good morning-

A few weeks ago I asked for contact information for someone at Boulevard 9229 regarding T3s. They have not provided any T3 information to us, and our T3s to our customers will need to be updated with the information about where these HIV medications are coming from. This could potentially create a huge backlog of work for us, and I would like to avoid that. I am not sure who to contact there about this issue.

Could someone please assist?

Thanks,
